Admiral Stansfield Turner  
Director of Central Intelligence  
CIA  
Washington, D.C. 20505

Dear Admiral Turner:

The MIT Club of Washington is an active group of the 1500 MIT Alumni in the Washington, D.C. area. We are currently planning our schedule of events for the 1977-78 program year and would be very interested in having you address our group. Topics of interest would include the mission of your organization and the conflicts associated with maintaining an intelligence organization in a free society.

The time period we were thinking of would be February - March 1978, but we are willing to be flexible on questions of both time and subject matter. We are looking forward to hearing from you and hope that mutually agreeable arrangements can be worked out. I can be contacted during the day at (703) 558-1648.

Sincerely,

MICHAEL J. MARCUS  
President
